This former Beazer model home sits in a desirable Henderson neighborhood with no HOA and shows true pride of ownership throughout. The open-concept kitchen flows easily into the family room and offers granite counters with a full granite backsplash, a breakfast bar, nook, pantry, GE Profile stainless-steel appliances, and an LG built-in microwave. The primary suite includes a custom walk-in closet plus a Jacuzzi brand soaking tub and separate walk-in shower, while a flexible loft with built-ins and its own mountain-view balcony adds space for a home office, playroom, fitness area, or media room. Updates over the last few years include a Lennox HVAC system (2025), water heater, luxury plank flooring, plush carpet, and paint inside and out. Signature touches carry through the home with plantation shutters, stone pattern tile, soft and warm palette, a solar tube, ceiling speakers, tinted windows, and a smart thermostat. The garage is finished with an epoxy floor, insulated door, and built-in cabinets, and the laundry room offers extended cabinetry and a large work counter. Curb appeal shines with a freshly landscaped front yard this year, covered front porch, architectural details, palms, shrubs, accent boulders, and a leaded glass front door with reinforced locking pins. Out back, unwind under the covered patio with pebble finish, surrounded by synthetic turf, river rocks, mature shade trees, and manicured
